

## Faith Will Be Ours by Campbell 12

We feel helpless without it,  
Yes we do,  
Oh yes we do.

Evil comes in without it,  
Yes it does,  
Oh yes it does.

We are lost without it,  
Yes we are,  
Indeed we are.

We lose hope without it,  
Yes we do,  
Oh yes we do.

Faith is what we really need,  
Its everything,  
We finally see.

Faith is what we must have,  
To really care,  
To really love.

Faith will be...  
Faith will be ours.  
Oh...  
Faith will be...  
Faith will be ours.

We are empowered with it,  
Yes we are,  
Oh yes we are.

Darkness fades with it,  
Yes it does,  
Oh yes it does.

Love is found with it,  
Yes it is,  
Oh yes it is.

We have hope with it,  
Yes we do,  
Oh yes we do.

Faith is what we really need,  
Its everything,  
We finally see.

Faith is what we must have,  
To really care,  
To really love.

Faith will be...  
Faith will be ours.  
Oh...  
Faith will be...  
Faith will be ours.

Our faith is strong,  
Yes it is,  
Oh yes it is.

Our faith is unbreakable,  
Yes we know,  
Oh yes we know.

Our faith is sustainable,  
With love,  
With lots of love.

Our faith is unconditional,  
The soul knows,  
The soul knows.

Faith is what we really need,  
Its everything,

We finally see.

Faith is what we must have,  
To really care,  
To really love.

Faith will be...  
Faith will be ours.  
Oh...  
Faith will be...  
Faith will be ours.

Faith is what we really need,  
Its everything,  
We finally see.

Faith is what we must have,  
To really care,  
To really love.

Faith will be...  
Faith will be ours.  
Oh...  
Faith will be...  
Faith will be ours.

Faith...  
Faith will be ours.  
Cuz faith will be ours.

Faith...  
Faith will be ours.  
Cuz faith will be ours.
