

I'll Try

Sometimes I cry,
When I'm alone,
It feels like I've lost,
All I've ever known.

I wish I could fly,
Just fly away,
And land,
On a totally better day.

To get through the pain,
To get through the sorrow,
To get to tomorrow,
I will try.
Until the end,
I know, I promise,
I'll try,
I'll try.

When my pain,
Fills the air,
It makes a world,
I cannot bear.

Sometimes life,
It hurts so bad,
I just feel so numb,
I just feel so sad.

To get through the pain,
To get through the sorrow,
To get to tomorrow,
I will try.
Until the end,
I know, I promise,
I'll try,
I'll try.

Rain will fall,
And the seasons will change.
I thirst for calm,
But the storm remains.
I always feel like I'm slipping away,
I'll continue to try no matter the price I pay.
The price I pay.

To get through the pain,
To get through the sorrow,
To get to tomorrow,
I will try.
Until the end,
I know, I promise,
I'll try,
I'll try.

While I'm here,
It will hurt,
And I will cry,
Until the end.

But when I think,
How far I've come,
I find the strength,
To last until I'm done.

To get through the pain,
To get through the sorrow,
To get to tomorrow,
I will try.
Until the end,
I know, I promise,
I'll try,
I'll try.

I'll try.
