

Dark Thoughts by Campbell 12

Sometimes I feel like I've lost my way,
Dark thoughts, Despair,
Can't keep them at bay.

In my own mind I never know,
When to let these dark thoughts go.

And when I feel this way,
It's like the whole world's in disarray.
In disarray.

I don't know how I got this way,
Always thinking I'm not okay.
Why do my thoughts go astray?
Why do I let them get in my way?

I don't know how I got this way,
Always thinking I'm not okay.
Over and over these thoughts replay,
What will it take to make them go away?

I don't want them to get...
I don't want them to get in my way.

I can't let them get in...
I can't let them get in my way.

Now I know they had nothing...
Now I know they had nothing...
Cuz now I know they had nothing at all to say,
I've always been okay.

When my thoughts are dark and gray,
I will just look the other way.

And when these thoughts lead me astray,
I won't hear what they say.

It's always a struggle, a continuous fight,
But in the end they're always slayed outright,
Slayed outright.

I don't know how I got this way,
Always thinking I'm not okay.
Why do my thoughts go astray,
Why do I let them get in my way.

I don't know how I got this way,
Always thinking I'm not okay.
Over and over these thoughts replay,
What will it take to make them go away?

I won't let them get in...
I won't let them get in my way.

These thoughts will not get in...
These thoughts will not get in my way.

Now I know they had nothing...
Now I know they had nothing...
Cuz now I know they had nothing at all to say.
I've always been okay.
